DesXY Inc. | 熠境设计事务所

Founded in New York City since 2009, DesXY is a research-driven architectural practice based in New York and Shanghai with design research laboratory under GSAPP of Columbia University.

2009 年创立于纽约市，熠境设计是一个以研究为导向立足于纽约和上海，并在哥伦比亚大学建筑、规划及历史保护研究生院下面拥有设计研究实验室的建筑设计事务所。

Our vision is making a truly meaningful contribution to the immediate challenging future with profound intelligence, relentless innovation and unwavering delivery to enhance life quality and to inspire human potential through design, as a weed roots into the smallest crack in the asphalt and eventually breaks the city.

我们的愿景即是通过深思熟虑的设计智慧，坚持不懈的设计创新和充满自信的设计表达，来提升生活的品质和激发人类的灵感，并为面对充满挑战的未来做出真正有意义的贡献，正如一颗小草扎根于柏油路上最小的缝隙并最终改变整个城市。
